Scheme Inception : - November 27, 2025. The returns are calculated by XIRR approach assuming investment of Rs. 10,000/- on the 1st working day of every month. Since Inception returns are assumed to be starting from the inception date of the Scheme and calculated accordingly. XIRR helps in calculating return on investments given an initial and final value and a series of cash inflows and outflows and taking the time of investment into consideration. **The SIP Performance is for Regular Plan – Growth Option** Different plans have different expense structure. # Benchmark: ^ Additional Benchmark: TRI – Total Return Index.
